Want You As Our Customer

If your bank isn't interested in you and isn't easy to deal with, and you're hearing "no we can't, no we won't, no we don't," perhaps you need to talk with First Federal of Bucks County. We will bend over backwards to promptly say *yes we can, yes we will* and *yes we do!* In fact, we'll soon be celebrating 125 years of serving the community.

Get Up To \$125 Deposited Into Your New Account!

To help introduce you to First Federal and show you how we do more for our customers, we'll put up to \$125 in your new *More For Your Money Checking* account.* When you open your new account you'll get \$25 immediately. Choose direct deposit for your regular paycheck and we'll add another \$50. Then close your current checking account, bring us proof and we'll add \$50 more. It's as simple as that!

*\$300 Minimum Balance needed. Account must remain open and active for six (6) months from date of opening or a \$50 early termination fee will be assessed. The amount of the bonus credited to your account will be reported to the IRS as interest for the year. Subject to approval. Offer expires 12/31/09.
